

Other facilities for Student Life

With the commitment to provide a conducive and wholesome student experience, the University has established partnerships and collaborations with variety of organizations who provide excellent facilities. These arrangements were necessitated as the University will need about three years to establish all these facilities and more in the Central Campus. Nonetheless the students will be provided best facilities such as Hostels, Sports, Cultural, Adventure and other such student development activities, a few of which are listed below.

1. Hostel Facility provided in partnership with Colive

2. Sports Facility provided in partnership with Padukone - Dravid Centre for Sports Excellence

Centre for Sports Excellence is a world-class integrated sports complex, located just 10 minutes away from the University. Student of the University shall get access to state-of-the-art sports facilities for Cricket, Badminton, Swimming, Football, Tennis, Squash, Athletics and more.

3. Associations for other extracurricular activities

The University has fostered collaborations with various associations such as Bangalore School of Speech & Drama, Taaqademy, Bangalore Mountaineering Club and many more to provide rich extracurricular experience to the students.

These collaborative extracurriculars build a spirit of camaraderie, healthy competition, a sense of pride and belonging. To encourage this further, we also associate academic credits towards extracurricular activities.
