### 3. Academic Credits - Course Credit Structure

The Credit Structure is used to define various types of Courses to provide for the appropriate pedagogy and methods of assessment and evaluation. The flexibility required to accomplish the Course learning objectives and outcomes can be provided for, while retaining a common framework for Credit allocation. More importantly, it is necessary to have a transparent, credible and robust system for planning, delivery and evaluation of each Course of the diverse programs of study of the University.

- 3.1. The Credit Structure for defining and categorizing Courses is the L – T – P (Lecture – Tutorial – Practical) framework. The Course Credits are fixed based on the following norms:

Lecture / Tutorial: One (01) contact/classroom hour per week is assigned One (01) Credit.

Practical: Two (02) hours per week of practice/studio/laboratory/field and other similar practice or skill development components, is assigned One (01) Credit.

For example:

A Course with L – T – P structure of 4 – 0 – 0 will be assigned 4 Credits.

A Course with L – T – P structure of 3 – 1 – 0 will be assigned 4 Credits.

A Course with L – T – P structure of 0 – 0 – 4 will be assigned 2 Credits.

A Course with L – T – P structure of 1 – 0 – 4 will be assigned 3 Credits.

- 3.2. Practice/Skill based Courses like Industry Internship, Capstone, Research Dissertation, Integrative Studio, Interdisciplinary Project, and such similar Courses, and Non-Teaching Credit Courses like Seminar, Summer / Short Internship, Social Engagement / Field Projects and such similar Courses, where the pedagogy does not lend itself to a typical L-T-P structure as defined in Clause 3.1, are assigned the number of Credits based on the quantum of work/effort required to fulfil the learning objectives and outcomes prescribed for the concerned Courses.
- 3.3. A student earns credits by satisfactorily completing Courses and other academic activities every Academic Term. The credits associated with a Course are dependent upon the number of hours of instruction per week in that Course. Similarly, the credit associated with any of the other learning activities is dependent upon the quantum of work expected to be put in for each of the other learning activities. In general, a certain quantum of academic work measured in terms of Credits is laid down as the minimum requirements for the award of a particular Degree.

These letter grades not only indicate a qualitative assessment of the student's performance but also carry a quantitative (numeric) equivalent called the Grade Point.

- 8.10. The University follows the system of Letter Grades with associated Grade Points on a Scale of 10. The Letter Grades and associated Grade Points along with a brief qualitative description are summarized in Table 2:

8.11. Earned Credits

This refers to the credits assigned to the Course in which a student has obtained either 'S' grade (in other than Audit Course), or any one of the grades 'O', 'A<sup>+</sup>', 'A', 'B<sup>+</sup>', 'B', 'C', 'D' (but not 'F' and 'FA').

8.12. Cut-off Marks for 'O' and 'F' Grades

The minimum cut-off marks for 'O' grade as well as the maximum cut-off marks for 'F' grade (aggregate of the marks assigned for components of Continuous Assessments, and the marks assigned for the Final Examination, as applicable), will be decided by the Course Instructor based on the specific relevant details of the

Class Performance Distribution (using appropriate class performance statistics parameters). However, as a general guideline, the minimum cut-off marks for 'O' and 'F' grade shall be 85% and 35% respectively. In exceptional cases, where the 'O' or 'F' grade is proposed below the aforementioned minimum cut-off marks, the concerned Course Instructor shall provide justification for the same to the concerned PAC for approval before the respective grades are awarded.

The minimum/maximum cut-off marks for the intermediate grades are determined by the Course instructor using appropriate partitioning/clustering method based on the specific relevant details of the class performance distribution.

### 8.13. Description of Grades:

#### 8.13.1 'O' Grade

An 'O' grade stands for outstanding achievement, relative to the class, and the Course Instructor shall take utmost care in awarding of this highest grade.

#### 8.13.2 'D' Grade

The 'D' grade stands for marginal performance and is the minimum passing grade.

#### 8.13.3 'F' and 'FA' Grades

- a) The 'F' grade denotes very poor performance, i.e., failure in a Course due to poor performance and the Course Instructor shall take utmost care while awarding this lowest grade.
- b) 'FA' grade denotes poor attendance i.e., failure in a Course due to attendance shortage (Refer Clause 7.6).
- c) The students who have received 'F' grade in a Course in any semester may be allowed to appear for a Make-Up Examination (Refer Clause 9.4). The Make-Up Examinations will be conducted possibly along with that arranged for those students who were placed with the 'I' grade, within the period announced in the academic calendar.
- d) If after considering make-up examination, a student passes, then a minimum passing grade of 'D' only be awarded.
- e) Only regular registrants of a given Course during a given academic semester who have obtained 'F' grade in the Course will be permitted to appear for the makeup examination.
- f) Students who continue to have 'F' grade after the Make-Up Examination are required to re-register for the Course whenever it is offered subsequently.

- g) All the 'F' (other than the Courses for which 'D' grade is obtained by the student in the Make-Up Examinations conducted prior to the starting of next semester) and 'FA' grades secured in any Course shall be recorded on the grade card.
- h) A student who obtains 'FA' grade in any Course shall re-register for the Course in the subsequent academic term whenever the Course is offered until a passing grade is obtained. However, for a Course that is not mandatory (Minor/Open and such other Courses as may be specified in the concerned Program Regulations) in which 'F' or 'FA' grade has been obtained, the student may either repeat the same Course or register for any other Course (from the approved Courses).

#### 8.13.4 'S' and 'U' Grades

- a) These grades are awarded for the Non Teaching Credit Course with no L-T-P Structure and Audit Course (Refer Clause 8.7 and Table 2).
- b) The 'S' grade denotes satisfactory performance and completion of a Course.
- c) The 'U' grade denotes unsatisfactory performance and non-completion of a Course. The student shall have to re-register for the concerned Course, if mandatory, until the 'S' grade is awarded.
- d) The 'S' or 'U' grade secured in a Course shall be recorded on the Grade Card.

#### 8.13.5 'I' Grade

'I' is a placeholder grade which denotes "incomplete" performance in any Course or Courses, due to one of the following conditions:

- a. Absence at the Final Examination solely due medical exigencies specifically hospitalization, trauma or contagious disease only, and gets replaced by an appropriate regular letter grade after the student completes the performance evaluation for the Course(s) concerned in the Make-Up Examination (Refer Clause 9.4).
- b. In the event of a reported case of unfair means (plagiarism, malpractice, etc.) case (under investigation) against the student in the End Term Examination or any component of assessment of concerned Course. The placeholder grade 'I' shall be replaced with a regular grade based on recommendations of the panel (constituted to investigate the case) and the subsequent approval of the concerned Program Chair/Dean of School.
- c. The Course(s) in which a student has received 'I' grade shall not be included in the SGPA/CGPA calculations. (Refer Clause 8.15)

#### 8.14. Grade Card:

A Grade Card is the record of the student's performance in the Courses the student has registered for in a concerned Academic Term of the Program of study.

The Grade Card shall contain the following details pertaining to the student's academic performance:

The List of Courses (which includes Course Name, Course Code and associated Credits) registered by the student in the concerned Academic Term, Make-Up Examinations, if applicable, and, Summer Term, if applicable;

The Grade and associated Grade Points obtained in each of the concerned Courses; and,

The SGPA and CGPA obtained by the student.

#### 8.15. Evaluation of Performance: SGPA AND CGPA

The overall academic performance of a student shall be measured by two indices: SGPA which is the "Semester Grade Point Average" and CGPA which is the "Cumulative Grade Point Average".

##### SGPA

The performance of a student in a Semester is indicated by a number, Semester Grade Point Average. The SGPA is the weighted average of the grade points secured in all the concerned Courses registered by the student during that Semester. SGPA for a particular Semester (and Summer Term, as applicable) is computed as follows:

$$\text{SGPA} = \frac{\sum_{k=1}^n [C_k \times G_k]}{\sum_{k=1}^n C_k}$$

where:

$n$  is the number of all Courses (with Letter Grades and Grade Points, including the Letter Grades 'F' and 'FA', which have zero grade points) registered by the student in the Semester concerned;

$C_k$  is the Credits assigned to Course  $k$  and  $G_k$  is the Grade Point received by the student for the Course  $k$ .

##### CGPA

The Cumulative Grade Point Average indicates overall academic performance of a student in all the Courses registered up to and including the latest completed semester. CGPA is computed as follows:

$$\text{CGPA} = \frac{\sum_{i=1}^n [C_i \times G_i]}{\sum_{i=1}^n C_i}$$

where:

$n$  is the number **of all the Courses** (with Letter Grades and Grade Points, including the

Letter Grades 'F' and 'FA', which have zero grade points) **registered by the student up to, and, including the latest completed Semester/Academic Term;**

$C_i$  is the Credits assigned to Course  $i$  and  $G_i$  is the Grade Point received by the student for the Course  $i$ .

8.16. The SGPA and CGPA are calculated to TWO (02) decimal places.

## 9. Examinations

- 9.1. The detailed schedule of the End Term Examinations, as per dates indicated in the Academic Calendar, shall be prepared by the COE in consultation with the Program Chairs/Deans of Schools and shall be announced with due approval of the Vice Chancellor, at least ONE (01) calendar month before the commencement of the End Term Examinations.

On approval of the BOE, the student shall submit the application form for the Make-Up Examinations to the Examination Department of the University within the duly notified dates, along with the prescribed fee for the Make-Up Examinations fixed by the University from time to time. On the basis of the student's performance in the Make-Up Examinations and considering the marks obtained by the student in all other Continuous Assessments, as applicable, the final letter grade awarded shall replace the placeholder grade 'I'.
